3 STEPS towards a happier tomorrow

To find your part in the project you need to choose:

- 1 **ONE TOPIC TO COVER**
The choice of topic will focus your efforts on those issues which you feel are the most important and the most relevant
- 2 **ONE PLATFORM TO JOIN**
Your platform choice allows you to define your key focus during the formal events of the Forum. Choose wisely – you can pick only one platform since they work in parallel
- 3 **ONE JOINT SESSION OF UNITY**
There is a unique chance to see the world in it's full complexity. We have Joint Sessions to get students, professors, parliamentarians, young professionals and entrepreneurs together so they can unite their potentials in creating new possibilities for everyone
